

Fundraising Ideas

- **Host a Silent Auction** - Collect different gift certificates or any other merchandise and auction them off to the highest bidder.
- • **Hold a Car Wash** - Have company executives wash cars for donations.
- **Buy Bulk Candy** - Sell it off at work! You'd be amazed how much a person might pay for a candy by at 3 pm!
- **Matching Gifts** - If your employer has a matching gift program, utilize it! Matching gifts provide a way for you to increase funds raised. Often, an employer will match an individual donation, or they may even match your total dollars raised! Contact your employer; they will be able to tell you if they have a program, what the guidelines are, and the easiest way to participate.
- **Host a Garage Sale** - Ask neighbors and friends to donate unwanted household items and host a garage sale...all proceeds to go towards Zoowalk.
