

Dear _____

It's time for Kern County's Campout Against Cancer event on April 6th and 7th. I am on a team and we are planning to raise \$4,000.00. I am doing this in honor of _____ who has survived now for ____ months/years. If you would like to help cancer patients in Kern County you can make a donation. Also, we are putting gifts around our campsite to show our support to the people who are surviving and in memory of those who did not. You may purchase a Gift of Hope for \$25.00 and your loved one's name will be placed on that gift. At the end of the event you may take it home, or I will bring it to you.

Thank you so much for helping underwrite the Kern County Cancer Fund, a program assisting Kern County residents who need financial assistance obtaining, screening, diagnosis, and treatment for cancer and associated diseases.

The Kern County Cancer Fund's Tax I.D. # is 77-0491071. If you would like to call their office directly to verify information please do so at 661-616-6430.

Sincerely,
